

CERTIFICATE

Mr. Javier Martinez

- Asturtechnica -

has successfully attended a

Advanced Compressor Technology Level-1&2 Training

from March 01st to 03rd, 2016

at the BAUER ACADEMY, Geretsried.

The participant was guided in detailed aspects of our high pressure breathing air compressors, unit components, air analyses, failure analyses, purification systems P-Series, and the compressor control systems, COMPTRONIC BC I&II, BC MICRO / -plus.

Both, theoretically and practically.

For the compressor types, K 14, K150/180, IK 100/120-II , IK12.14-II, PE- & VERTICUS types maintenance requirements, test procedures and trouble shooting were imparted.
